My first time sending requests for some of the book opportunities included in the newsletter was successful, which is very exciting because I also love to get surprise mail 📧. This month we got a couple of the Book Club selections for Good Morning America, "Mika in Real Life," as well as this cool little book for kids about Canada. The authors are great! They even sent an extra copy for my son because he liked it so much.

So anyway, TLDR: I am so excited to be a part of this awesome group!!!

 All Across Canada, the newest addition to our book barn! 📖

This picture book by Ellen Weisberg and Ken Yoffe features three memorable characters: Wandering Wally, Hiking Holly, and Ambling Andy and their picturesque journey across Canada.

Boasting a plethora of illustrations on each page, this children's book educates on Canada's 13 provinces and territories.

Chock-full of interesting facts and fun rhymes, this edition makes learning about Canada simply enjoyable!

Thanks to @facepaintnonprofit for providing me with a copy of All Across Canada to read and review. 📖
